

Notice to Interested Parties

Publishing of Strategic Plan

Purpose

The Automobile Insurance Rate Board (AIRB) is issuing this notice to announce the publication of the 2026-2029 Strategic Plan.

Background

In accordance with our Mandate and Roles document, the AIRB is required to provide the Minister with a Business Plan for each fiscal year. This year, the AIRB prepared a three-year Strategic Plan, which is accompanied by a Statement of Priorities. This will replace the previous rolling business plan, which was updated annually.

The transition to a three-year Strategic Plan is a deliberate decision to ensure continuity through future board appointments, while maintaining our focus on serving the province and delivering on our mandate. While the Strategic Plan will only be updated in event of material change over the three-year period, a Statement of Priorities will be published annually to reflect evolving priorities.

Announcement

The 2026-2029 Strategic Plan, commenced on April 1, 2026. It was prepared in consideration of our vision, mission, and values, and reflects the AIRB's policy decisions as of March 31, 2026, with material economic or fiscal implications known at time of preparation.
