UBI Filing Guidelines Update

The Automobile Insurance Rate Board (AIRB) is issuing this Bulletin to advise all automobile insurers operating in Alberta of amendments to the filing guidelines for Usage Based Insurance (UBI).

Filing Guidelines:

We have updated the UBI filing guidelines to reflect the changes outlined in the Superintendent of Insurance's Notice Private Passenger Vehicle Usage Based Insurance Implementation Process, as revised October 4, 2019.

Effective October 9, 2019, the UBI filing guidelines were updated to:

- align rating factor list to the Superintendent of Insurance's Notice;
- remove requirement for confirmation from the Superintendent of Insurance;
- reflect current reporting requirements; and
- reflect requirements for revision to an existing UBI program in addition to implementation of a new program.

Required Action:

The AIRB requires that all insurers follow the latest filing guidelines when preparing their filings to introduce or revise a UBI program for use in Alberta after October 9, 2019.

Should you have any questions relating to this Bulletin, please contact the AIRB at (780) 427-5428 or by email airb@gov.ab.ca.
